Get Different Mike Michalowicz 2021-09-21 From Mike Michalowicz, bestselling author of Profit First, Clockwork, and Fix This Next, a practical and proven guide to standing out in a crowded market. Many business owners are frustrated because they feel invisible in a crowded marketplace. They know they are better than their competitors, but when they focus on that fact, they get little in return. That's because, to customers, better is not actually better. Different is better. And those who market differently, win. In his new marketing book, Mike Michalowicz offers a proven, no-bullsh*t method to position your business, service, or brand to get noticed, attract the best prospects, and convert those opportunities into sales. Told with the same humor and straight-talk that's gained Michalowicz an army of ardent followers, with actionable insights drawn from stories of real life entrepreneurs, this book lays out a simple, doable system based on three critical questions every entrepreneur and business owner must ask about their marketing: 1. Does it differentiate? 2. Does it attract? 3. Does it direct? Get Different is a game-changer for everyone who struggles to grow because their brand, message, product or service doesn't stand out and connect with customers--the long-anticipated answer to the defining business challenge of our time.

Duct Tape Marketing John Jantsch 2011 Is Your Marketing as Simple, Effective, and Affordable as Duct Tape? Let's face it, as a small business owner, you are really in the business of marketing. The problem for most small business owners is that they suffer from "marketing idea of the week" syndrome instead of implementing a systematic approach to the problem of small business marketing. In Duct Tape Marketing, renowned Small Business Marketing guru John Jantsch shows you how to develop and execute a marketing plan that will give your business the life and longevity you knew you could have when you made that decision to go out on your own. CAREFUL! Duct tape is a serious tool... it sticks where you put it. So are the ideas in this book. If you're ready to make a commitment and are willing to make something happen, John's book is a great place to start. --Seth Godin, author of Purple Cow For all those who wonder why John Jantsch has become the leading advisor and coach to small businesses everywhere, Duct Tape Marketing is the answer. I have never read a business book that is as packed with hands-on, actionable information as this one. There are takeaways in every paragraph, and the success of John's blog is living proof that they work. Duct Tape Marketing should be required reading for anyone who is building a business, or thinking about it. --Bo Burlingham, editor-at-large, Inc. magazine, and author of Small Giants: Companies That Choose To Be Great Instead of Big Duct Tape Marketing is a worthy addition to the growing library of how-to books on small business marketing -- concise, clear, practical, and packed with great ideas to boost your bottom line. - -Bob Bly, author of The White Paper Handbook With the world suffering from depleted reserves of trust, a business that sells plenty of it every day tends to create the most value. The great thing about trust as a product feature is that it delivers exceptional returns. With this book, John Jantsch has zeroed in on exactly what small businesses need to sell every day, every hour. - -Ben McConnell, co-author of Creating Customer Evangelists: How Loyal Customers Become a Volunteer Sales Force John Jantsch has provided small businesses with the perfect perspective for maximizing all marketing activities - offline and on. Jantsch has the plan to help you thrive in the world of business today. Read it, all your competitors will. --John Battelle, co-founding editor of Wired and author of The Search: How Google and Its Rivals Rewrote the Rules of Business and Transformed Our Culture Duct Tape Marketing is a great read for anyone in business. It has fresh ideas laid out in a practical and

useable way. I highly recommend this book for growing any business. --Dr. Ivan Misner, Founder of BNI and Co-author of the New York Times bestseller, *Masters of Networking*

SNAP Selling Jill Konrath 2010-05-27 Selling is tougher than ever before. Potential customers are under extreme pressure to do more with less money, less time, and fewer resources, and they're wary of anyone who tries to get them to buy or change anything. Under such extreme conditions, yesterday's sales strategies no longer work. No matter how great your offering, you face the daunting task of making yourself appear credible, relevant, and valuable. Now, internationally recognized sales strategist Jill Konrath shows how to overcome these obstacles to get more appointments, speed up decisions, and win sales with these short-fused, frazzled customers. Drawing on her years of selling experience, as well as the stories of other successful sellers, she offers four SNAP Rules: -Keep it Simple: When you make things easy and clear for your customers, they'll change from the status quo. -Be iNvaluable: You have to stand out by being the person your customers can't live without. -Always Align: To be relevant, make sure you're in synch with your customers' objectives, issues, and needs. -Raise Priorities: To maintain momentum, keep the most important decisions at the forefront of their mind. SNAP Selling is an easy-to-read, easy-to-use guide for any seller in today's increasingly frenzied environment.

Small Business, Big Vision Matthew Toren 2011-08-02 Lessons in applying passion and perseverance from prominent entrepreneurs In the world of entrepreneurship, your vision solidifies your resolve when things get tough, and it reminds you why you went into business in the first place. Authors, brothers, and serial entrepreneurs, Matthew and Adam Toren have compiled a wealth of valuable information on the passionate and pragmatic realities of starting your own business. They've also gathered insights from some of the world's most successful entrepreneurs. This book delivers the information that both established and budding entrepreneurs need, explains how to implement that information, and validates each lesson with real-world examples. *Small Business, Big Vision* provides inspiration and practical advice on everything from creating a one-page business plan to setting up an advisory board, and also delivers a call to social entrepreneurship and sustainable business practices. This powerful book: Offers instruction in whether and how to seek investors Outlines the pros and cons of hiring employees and provides guidance on how to find the best outsourced workers Presents a comprehensive action plan for effective social media marketing Explains how to build an information empire and become an expert *Small Business, Big Vision* proves that with a flexible mindset, practical skills, and the passion to keep pushing forward, entrepreneurs can find success, even in today's ever-changing business landscape.

How Not to Suck At Marketing Jeff Perkins 2021-09-01 If you've ever felt like you suck at marketing, you're not alone. Survive and thrive in today's digital world. Let's face it, marketing today is really, really hard. From the explosion of digital advertising options to the thousands of martech tools out there on the market, it's virtually impossible to stay on top of it all. Even more challenging is the deluge of analytics available, leaving marketers swimming in data but thirsting for knowledge. But you don't have to feel like you suck at marketing. Join award-winning marketing leader Jeff Perkins as he examines how to avoid the pitfalls and survive in today's ever-changing marketing landscape. Focusing on essential skills for modern marketers, *How Not to Suck at Marketing* prepares you to: - Create a focused marketing program that drives results - Collaborate effectively with the key stakeholders - Assemble a high-performing marketing team - Define and nurture your company (and personal) brand - Build a focused career and find the right job for you Digital tools allow us to track immediate results, but marketing has always been about the long game. Tackle your marketing strategy and build a focused career with this practical guide.

Yutility Jay Baer 2013-06-27 The difference between helping and selling is just two letters. If you're wondering how to make your products seem more exciting online, you're asking the wrong question. You're not competing for attention only against other similar products. You're competing against your customers'

friends and family and viral videos and cute puppies. To win attention these days you must ask a different question: "How can we help?" Jay Baer's *Yutility* offers a new approach that cuts through the clutter: marketing that is truly, inherently useful. If you sell something, you make a customer today, but if you genuinely help someone, you create a customer for life.

The Referral Engine John Jantsch 2012-09-25 The small business guru behind Duct Tape Marketing shares his most valuable lesson: how to get your customers to do your best marketing for you. The power of glitzy advertising and elaborate marketing campaigns is on the wane; word-of-mouth referrals are what drive business today. People trust the recommendation of a friend, family member, colleague, or even stranger with similar tastes over anything thrust at them by a faceless company. Most business owners believe that whether customers refer them is entirely out of their hands. But science shows that people can't help recommending products and services to their friends—it's an instinct wired deep in the brain. And smart businesses can tap into that hardwired desire. Marketing expert John Jantsch offers practical techniques for harnessing the power of referrals to ensure a steady flow of new customers. Keep those customers happy, and they will refer your business to even more customers. Some of Jantsch's strategies include: -Talk with your customers, not at them. Thanks to social networking sites, companies of any size have the opportunity to engage with their customers on their home turf as never before—but the key is listening. -The sales team is the most important part of your marketing team. Salespeople are the company's main link to customers, who are the main source of referrals. Getting them on board with your referral strategy is critical. -Educate your customers. Referrals are only helpful if they're given to the right people. Educate your customers about whom they should be talking to. The secret to generating referrals lies in understanding the "Customer Referral Cycle"—the way customers refer others to your company who, in turn, generate even more referrals. Businesses can ensure a healthy referral cycle by moving customers and prospects along the path of Know, Like, Trust, Try, Buy, Repeat, and Refer. If everyone in an organization keeps this sequence in mind, Jantsch argues, your business will generate referrals like a well-oiled machine. This practical, smart, and original guide is essential reading for any company looking to grow without a fat marketing budget.

The \$100 Startup Chris Guillebeau 2012 Shares advice for transitioning away from unfulfilling jobs to embark on adventurous, meaningful careers, outlining recommendations for starting a personal business with a minimum of time and investment while turning ideas into higher income levels. 60,000 first printing.

The Referral of a Lifetime Tim Templeton 2016-08-01 Your Best Prospects Are Referred Prospects! Nobody likes cold calls. And nobody really needs to make them. *The Referral of a Lifetime* teaches a step-by-step system that will allow anyone to generate a steady stream of new business through consistent, qualified referrals while retaining and maximizing business with existing customers. Tim Templeton emphasizes the importance of applying the golden rule in business—putting the relationship with your customer first, rather than just making the sale. This second edition adds a technique for creating a profile of your ideal customer and explains how to reach the tipping point on online reviews and testimonials so you can expand your business 24/7. Your customers, colleagues, and friends already know every new contact you will ever need to succeed. When you apply Tim Templeton's system, they will naturally refer those potential new customers to you.

Smarter, Faster, Cheaper David Siteman Garland 2010-11-18 Save time and money in building, marketing and promoting your business. With huge recent shifts in the way enterprises are built, marketed, and monetized, these are "wild west" times for business. In this new landscape, entrepreneurs and small business owners actually have an edge in marketing without spinning their wheels or going broke. *Smarter, Faster, Cheaper* gives you an innovative, approachable new guide on how to market, promote and improve your business drawing on real world examples and offering practical advice as opposed to fluffy theory. It presents a complete roadmap for marketing and

promoting your business with the latest techniques. Draws from author David Siteman Garland's extensive experiences as a successful entrepreneur Based on countless interviews with successful leaders, including conversations with entrepreneurs and owners of businesses large and small Strategies and ideas are easy to understand, digest, and immediately put to use From learning when to skimp and when to splurge to mastering the art of online schmoozing, Smarter, Faster, Cheaper will save you time, money, and aggravation whether you're building your tenth business or your first.

Word of Mouth Marketing Andy Sernovitz 2015-01-31 With straightforward advice and humour, word of mouth expert Andy Sernovitz will show you how the world's most respected and profitable companies get their best customers for free through the power of word of mouth. Learn the five essential steps that make word of mouth work and everything you need to get started. Understand how easy it is to work with social media, viral marketing, evangelists, and buzz. Start using simple techniques that start conversations: 3 Reasons People Talk About You; 4 Rules of Word of Mouth Marketing; 5 Ts of Word of Mouth Marketing; 6 Big Ideas: Deep Stuff That Changes Marketing Forever. Find out what sparks the irrepressible enthusiasm of Apple and TiVo fans. Understand why everyone is talking about a certain restaurant, car, band, or dry cleaner -- and why other businesses and products are ignored. Discover why some products become huge successes without a penny of promotion -- and why some multi-million-dollar advertising campaigns fail to get noticed. Open your eyes to a new way of doing business: Honest marketing makes more money, because customers who trust you will talk about you. Learn how to be the remarkable company that people want to share with their friends.

Tracking Wonder Jeffrey Davis 2021-11-16 An eye-opening and mind-expanding exploration of wonder—and how to nurture its capacity to spark your full creative potential Do you yearn for more meaning, connection, and the ability to respond to life's curveballs more creatively than reactively? If so, you've likely found that hard work, material success, and even years of expertise often aren't enough. What stands in the gap between your busyness and a life filled with cherished moments? For years, Jeffrey Davis has researched, interviewed, and worked with luminaries across cultures and professions to answer that question. What he's identified is a single universal experience that opens us to creative awakening across all walks of life: wonder. Here, this acclaimed teacher, consultant, and speaker invites us to discover how wonder dissolves our rigid ways of seeing and thinking, allowing us to glimpse anew what is true, beautiful, and possible—and how to then bring our insights to fruition. Rich with wisdom, real-life stories, and practical guidance, Tracking Wonder shows you how to • Bring forward your childlike wonder • Disrupt default mental habits to stay open to possibility • Fertilize confusion into curiosity • Navigate uncertainty and crises with creative resilience • "Unbox" other people to deepen your connections, and gift them with wonder • Fine-tune your daily process and flow, and much more

The Ultimate Marketing Engine John Jantsch 2021-09-21 A STEP-BY-STEP SYSTEM FOR CREATING CUSTOMERS AND CLIENTS FOR LIFE. It is more difficult than ever for businesses and marketing professionals to cut through the noise to create relationships with their customers. Organizations that focus on converting their customers to members and helping them achieve the lasting transformation they are seeking rather than simply offering the transaction of the moment are winning. The Ultimate Marketing Engine promises to teach readers how to develop a system to take every customer from where they are to where they want to be by building on the innovative principles first brought to the marketing world in Duct Tape Marketing and honed over three decades of working with thousands of businesses. Introducing the Customer Success Track The Ultimate Marketing Engine introduces an innovative new approach to marketing strategy that will transform how readers view their business, their marketing and perhaps, even how they view every customer. Readers will learn: Why strategy must come before tactics. How to narrow your focus and choose only ideal customers. Why no one wants what you sell - and what they actually want. How to use story and narrative as the voice of strategy. How to construct

the perfect customer journey. How to grow your business with your customers. This book will help readers take control of their marketing while creating ridiculously consistent business growth.

Summary: The Referral Engine BusinessNews Publishing 2014-10-28 The must-read summary of John Jantsch's book: "The Referral Engine: Teaching Your Business to Market Itself". This complete summary of the ideas from John Jantsch's book "The Referral Engine" shows that everyone loves getting referrals from happy customers but few businesses have systems in place to facilitate this happening more often. In his book, the author states that it's time to craft a strategy which will compel your customers and partners to voluntarily and actively participate in your marketing by providing referrals. Satisfied customers who offer referrals will provide the elements which will generate positive buzz around your products and services others will pick up on. This summary explains how to design a referral engine in order to create a pool of brand supporters and expand your business. Added-value of this summary: • Save time • Understand key concepts • Expand your knowledge To learn more, read "The Referral Engine" and discover the key to generating referrals and prospering.

Worth Every Penny: Build a Business That Thrills Your Customers and Still Charge What You're Worth Sarah Petty 2012 A revelation for small business owners: creating a profitable business is possible without getting into a slash-and-burn price war with your competitors. Petty and Verbeck inspire you to live your passion and pass your enthusiasm on to your customers, without succumbing to the pressure to discount.

Never Lose a Customer Again Joey Coleman 2018-04-03 Award-winning speaker and business consultant Joey Coleman teaches audiences and companies all over the world how to turn a one-time purchaser into a lifelong customer. Coleman's theory of building customer loyalty isn't about focusing on marketing or closing the sale: It's about the First 100 Days® after the sale and the interactions the customer experiences. While new customers experience joy, euphoria, and excitement, these feelings quickly shift to fear, doubt, and uncertainty as buyer's remorse sets in. Across all industries, somewhere between 20%-70% of newly acquired customers will stop doing business with a company with the first 100 days of being a new customer because they feel neglected in the early stages of customer onboarding. In Never Lose a Customer Again, Coleman offers a philosophy and methodology for dramatically increasing customer retention and as a result, the bottom line. He identifies eight distinct emotional phases customers go through in the 100 days following a purchase. From an impulse buy at Starbucks to the thoughtful purchase of a first house, all customers have the potential to experience the eight phases of the customer journey. If you can understand and anticipate the customers' emotions, you can apply a myriad of tools and techniques -- in-person, email, phone, mail, video, and presents -- to cement a long and valuable relationship. Coleman's system is presented through research and case studies showing how best-in-class companies create remarkable customer experiences at each step in the customer lifecycle. In the "Acclimate" stage, customers need you to hold their hand and over-explain how to use your product or service. They're often too embarrassed to admit they're confused. Take a cue from Canadian software company PolicyMedical and their challenge of getting non-technical users to undergo a complex installation and implementation process. They turned a series of project spreadsheets and installation manuals into a beautiful puzzle customers could assemble after completing each milestone. In the "Adopt" stage, customers should be welcomed to the highest tier of tribal membership with both public and private recognitions. For instance, Sephora's VIB Rogue member welcome gift provides a metallic membership card (private recognition) and a members-only shade of lipstick (for public display). In the final stage, "Advocate," loyal customers and raving fans are primed to provide powerful referrals. That's how elite entrepreneurial event MastermindTalks continues to sell-out their conference year after year - with zero dollars spent on marketing. By surprising their loyal fans with amazing referral bonuses (an all-expenses paid safari?!) they guarantee their community will keep providing perfect referrals. Drawing on nearly two decades of consulting and keynoting, Coleman

provides strategies and systems to increase customer loyalty. Applicable to companies in any industry and of any size (whether measured in employee count, revenue, or total number of customers), implementing his methods regularly leads to an increase in profits of 25-100%. Working with well-known clients like Hyatt Hotels, Zappos, and NASA, as well as mom-and-pop shops and solo entrepreneurs around the world, Coleman's customer retention system has produced incredible results in dozens of industries. His approach to creating remarkable customer experiences requires minimal financial investment and will be fun for owners, employees, and teams to implement. This book is required reading for business owners, CEOs, and managers - as well as sales and marketing teams, account managers, and customer service representatives looking for easy to implement action steps that result in lasting change, increased profits, and lifelong customer retention.

Entrepreneurial DNA: The Breakthrough Discovery that

Aligns Your Business to Your Unique Strengths

Joe Abraham 2011-04-15 What's your entrepreneurial style? "This powerful, practical book gives you proven techniques to help you maximize your personal and business potential and make more money than ever before." —BRIAN TRACY, author of *The Psychology of Selling* "Stop trying to fit the mold of some successful entrepreneur you've seen and start tapping your own DNA—this book will show you how." —JOHN JANTSCH, author of *Duct Tape Marketing* and *The Referral Engine* "This book is the ultimate roadmap to building a thriving business and life as an entrepreneur. Joe Abraham's ideas and insights are fresh, innovative, timeless, and guaranteed to produce real results and position you for long-term success." —IVAN MISNER, New York Times bestselling author of *The 29% Solution* and founder of BNI and Referral Institute "Joe is the next-generation version of Michael Gerber." —ERIC PLANTENBERG, founder and CEO, Freedom Personal Development "Are you interested in knowing your strengths and weaknesses as an entrepreneur and the strategies that work best for your particular DNA? If so, read this insightful and helpful book." —RAFAEL PASTOR, Chairman of the Board and CEO, Vistage International "Discover how to succeed and stand apart from other entrepreneurs." —ENTREPRENEUR MAGAZINE About the Book: Entrepreneurial DNA proves the simple but critical fact that not all entrepreneurs are cut from the same cloth. After all, nobody would put Donald Trump, a multilevel marketer, and the owner of a local pizza parlor in the same category. Everyone possesses unique entrepreneurial "DNA"—and discovering yours is the critical first step to success. To help you build a successful business or optimize results within your current business, serial entrepreneur and business strategist Joe Abraham has developed the BOSI system—a simple, structured process for determining your own entrepreneurial tendencies, strengths, and growth areas. With the BOSI system, you can create a strategic plan mapped to your entrepreneurial DNA that will improve all aspects of your business and leadership journey. Abraham's system provides four entrepreneurial categories that people fall into. Which type of entrepreneur are you? Builder: Strategic, always looking for the upper hand Talent: creating scalable business ventures Opportunist: Speculative, always in the right place at the right time Talent: making money fast Specialist: Focused, in it for the long term Talent: providing exceptional client service Innovator: Inventive, with a desire to make an impact Talent: creating game-changing products At least one of these four categories describes you—or perhaps a combination of two. Learning what type of entrepreneurial DNA you possess is critical to how you should structure and deploy your game plan in business. Whether you're serious about becoming a successful entrepreneur or improving your existing business, start with Entrepreneurial DNA. You'll discover your unique BOSI profile and gain tremendous insight into how to engage the right people and develop plans and processes to match who you are.

Generating Business Referrals Without Asking Stacey Brown Randall 2018-07-03 Every business needs referrals from satisfied clients. A good referral can lead to a closed sale faster and easier than any other lead. But let's face it. Asking for referrals can be awkward. And asking is often ineffective. That's why Stacey Brown Randall developed a method of getting referrals - without

asking. In her book *Generating Business Referrals Without Asking*, she shares her system for revolutionizing any business. Her structured approach reduces the hustle and increases productivity and profit. With Randall's system, you can stop wasting time and money marketing to cold leads and stalking would-be clients on social media. And you can start doing what you love most - providing the excellent service that made you go into business in the first place. In *Generating Business Referrals Without Asking*, you'll get Randall's five steps to steady business growth, case studies from business professionals, and a step-by-step roadmap that even the busiest business owner can implement.

8 Unbreakable Rules for Business Start-Up Success Workbook

Sean Castrina 2013-04-09 Workbook accompanying the ebook.

The Referral Engine by John Jantsch (Summary)

Do you want more free audiobook summaries like this? Download our app for free at QuickRead.com/App and get access to hundreds of free book and audiobook summaries. Learn how to teach your business to market itself. If your business is struggling to grow, then it's time to unleash the power of word-of-mouth marketing. In today's world, online marketing and advertising are becoming more and more unreliable as people grow increasingly distrustful in the world of fake news and "too good to be true." Instead, people turn to the people they trust for recommendations about companies they know and love. And these referrals are powerful enough to turn your start-up company into the next success. Through John Jantsch's *The Referral Engine*, you'll learn the six essential aspects of making your company "referral worthy" that will turn your business into a success. As you read, you'll learn why humans are hardwired to make referrals, why being different is essential, and how partnering with other businesses is crucial for propelling your success.

The New Relationship Marketing Mari Smith 2011-10-25 A top social media guru shares the secrets to expanding your business through relationships People have always done business with people they know, like, and trust. That's the essence of "relationship marketing." Today, the popularity of online social networking has caused a paradigm shift in relationship marketing. This book helps businesspeople and marketers master this crucial new skill set. Social marketing expert Mari Smith outlines a step-by-step plan for building a sizable, loyal network comprised of quality relationships that garner leads, publicity, sales,, and more. If you're a businessman or businesswoman feeling the pressure to shift your approach to using social media marketing, to better understand the new soft skills required for success on the social web, and to improve your own leadership and relationship skills through emotional and social intelligence, this book is for you. Outlines how to become a significant "center of influence" for your customers and prospects Explains the unspoken rules of online etiquette—and the common "turnoffs" that drive customers and potential partners away Details the unique cultures of Facebook, Twitter, and other popular online platforms Shows exactly what to automate and delegate to build your social media persona, yet still retain the personal touch Even if you currently have zero presence online, this book will help you see measurable results in a short time.

Do I Make Myself Clear? Harold Evans 2017-05-16 Harold Evans has edited everything from the urgent files of battlefield reporters to the complex thought processes of Henry Kissinger, and he has been knighted for his services to journalism. In *Do I Make Myself Clear?*, his definitive guide to writing well, Evans brings his indispensable insight to the art of clear communication. The right words are oxygen to our ideas, but the digital era, with all of its TTYL, LMK and WTF, has been cutting off that oxygen flow. The compulsion to be precise has vanished from our culture, and in writing of all kinds we see a trend towards more - more speed and more information, but far less clarity. Evans provides practical examples of how editing and rewriting can make for better communication, even in the digital age. *Do I Make Myself Clear?* is an essential text, and one that will provide every reader an editor at their shoulder.

Stop Asking for Referrals: A Revolutionary New Strategy for Building a Financial Service Business that Sells Itself

Stephen Wershing 2012-10-05 The #1 way to start getting referrals? STOP ASKING In all his years of helping financial

professionals build and grow their businesses, Stephen Wershing has learned that the number one way to make sure you don't get a referral is by asking for it. Why? Because studies prove that clients refer you not to benefit you but to benefit themselves. So you have to approach the challenge from a completely new angle. *Stop Asking for Referrals* helps you do exactly that. Inside, Wershing provides the tools you need to get more referrals than ever by designing your practice in a way that gets clients to mention you to friends when the opportunity arises. He calls it "the new referral conversation," and it works. Define your target market with accuracy and precision Communicate your value clearly and effectively Create your company's unique "brand" Harness the natural, normal social interactions of your clients to serve your marketing efforts You'll also learn how to use client feedback to benefit your business, create your service package, and bring in new business. "The way you have been told to attract referrals is based on an assumption that's wrong," Wershing writes. "And it is undermining your business and your relationships." You will come away with a deep understanding of why and where referrals actually come from, how to tailor your own practice to get people talking about you, and ways to develop a communication plan to project your reputation. So stop asking for referrals--and start attracting more new clients than you ever thought possible. Praise for *Stop Asking for Referrals* "Steve Wershing helps you unlock the untapped referral potential you have in your business today with an approach that is as comfortable as it is effective." -- JULIE LITTLECHILD, founder and president of Advisor Impact "The most comprehensive, practical, and engaging guide I know of for strengthening existing client connections and cultivating new ones in a way that is experience-based, respectful, and long-lasting." -- OLIVIA MELLAN, psychotherapist, money coach, author of *The Client Connection*, and columnist for *Investment Advisor* "Reading this book will revolutionize how you think about growing your business." -- MICHAEL E. KITCES, MSFS, MTAX, CFP, partner, Pinnacle Advisory Group, and blogger, *Nerd's Eye View* "This book will help you overcome . . . discomfort and show you how to engage your clients so that they will proudly help you build your business. Kudos for this powerful, one-stop marketing resource!" - SHERYL GARRETT, CFP, AIF, award-winning author, advisor, and founder of the Garrett Planning Network "Stop Asking for Referrals is on my Top Ten list of books that I believe offer the most meaningful strategies for advisors. . . . Steve's ideas for referral marketing are brilliant and just plain common sense. Advisors will embrace his book as the new referral bible." -- SYDNEY LEBLANC, founding editor of *Registered Rep* magazine; partner of LeBlanc and Company "Embrace Steve's advice if you'd like to see your practice growth become effortless, boundless, and fun!" -- MARIE SWIFT, CEO, Impact Communications, columnist for *Financial Planning* magazine, and author of *Become a Media Magnet*

Summary: The Referral Engine BusinessNews Publishing 2014-10-28 The must-read summary of John Jantsch's book: "The Referral Engine: Teaching Your Business to Market Itself". This complete summary of the ideas from John Jantsch's book "The Referral Engine" shows that everyone loves getting referrals from happy customers but few businesses have systems in place to facilitate this happening more often. In his book, the author states that it's time to craft a strategy which will compel your customers and partners to voluntarily and actively participate in your marketing by providing referrals. Satisfied customers who offer referrals will provide the elements which will generate positive buzz around your products and services others will pick up on. This summary explains how to design a referral engine in order to create a pool of brand supporters and expand your business. Added-value of this summary: • Save time • Understand key concepts • Expand your knowledge To learn more, read "The Referral Engine" and discover the key to generating referrals and prospering.

The Commitment Engine John Jantsch 2012-10-11 Why are some companies able to generate committed, long-term customers while others struggle to stay afloat? Why do the employees of some organizations fully dedicate themselves while others punch the clock without enthusiasm? By studying the ins and outs of companies that enjoy extraordinary loyalty from

customers and employees, John Jantsch reveals the systematic path to discovering and generating genuine commitment. Jantsch's approach is built on three foundational planks, which he calls the clarity path, the culture patron, and the customer promise. He draws on his own experiences and shares true stories from businesses like Threadless, Evernote, and Warby Parker. His strategies include these: Build your company around a purpose. People commit to companies and stories that have a simple, straightforward purpose. Understand that culture equals brand. Build your business as a brand that employees and customers will support. Lead by telling great stories. You can't attract the right people or get them to commit without telling a story about why you do what you do. Treat your staff as your customer. A healthy customer community is the natural result of a healthy internal culture. Serve customers you respect. It's hard to have an authentic relationship with people you don't know, like, or trust. As Jantsch says, "Have you ever encountered a business where everything felt effortless? The experience was perfect, and the products, people, and brand worked together gracefully. You made an odd request; it was greeted with a smile. You went to try a new feature; it was right where it should be. You walked in, sat down, and felt right at home. . . . Businesses that run so smoothly as to seem self-managed aren't normal. In fact, they are terribly counterintuitive, but terribly simple as it turns out." As a follow-up to *The Referral Engine*, this is about more than just establishing leads- it's about building a fully alive business that attracts customers for life.

Unstoppable Referrals Steve Gordon 2014-07-02 Take Command of Your Referrals Marketing strategist Steve Gordon dares you to re-evaluate your approach to attracting referrals and shows you a contrarian approach to referrals that will have you kicking yourself for not reading this book sooner. Gordon doesn't offer stale advice like "ask more often" or "improve customer service" or "use this script!" He gives you a paradigm shifting approach to getting loads more referrals, while spending less time, effort and energy. You'll finally see a path to attracting a predictable stream of referrals to your business...without ever "begging" for a referral again! Discover: The three ways to increase your referrability The trick to getting 5-10 referrals in your very next client meeting Why "asking more" rarely leads to more referrals The secret reason you're not getting more referrals Why chasing "referral partners" is a waste of time

The Referral Engine John Jantsch 2010-05-13 The small business guru behind Duct Tape Marketing shares his most valuable lesson: how to get your customers to do your best marketing for you. The power of glitzy advertising and elaborate marketing campaigns is on the wane; word- of-mouth referrals are what drive business today. People trust the recommendation of a friend, family member, colleague, or even stranger with similar tastes over anything thrust at them by a faceless company. Most business owners believe that whether customers refer them is entirely out of their hands. But science shows that people can't help recommending products and services to their friends-it's an instinct wired deep in the brain. And smart businesses can tap into that hardwired desire. Marketing expert John Jantsch offers practical techniques for harnessing the power of referrals to ensure a steady flow of new customers. Keep those customers happy, and they will refer your business to even more customers. Some of Jantsch's strategies include: -Talk with your customers, not at them. Thanks to social networking sites, companies of any size have the opportunity to engage with their customers on their home turf as never before-but the key is listening. -The sales team is the most important part of your marketing team. Salespeople are the company's main link to customers, who are the main source of referrals. Getting them on board with your referral strategy is critical. -Educate your customers. Referrals are only helpful if they're given to the right people. Educate your customers about whom they should be talking to. The secret to generating referrals lies in understanding the "Customer Referral Cycle"-the way customers refer others to your company who, in turn, generate even more referrals. Businesses can ensure a healthy referral cycle by moving customers and prospects along the path of Know, Like, Trust, Try, Buy, Repeat, and Refer. If everyone in an organization keeps this sequence in mind, Jantsch argues, your business will

generate referrals like a well-oiled machine. This practical, smart, and original guide is essential reading for any company looking to grow without a fat marketing budget.

[The Self-Reliant Entrepreneur](#) John Jantsch 2019-10-22 A guide for creating a deeper relationship with the entrepreneurial journey The Self-Reliant Entrepreneur offers overworked and harried entrepreneurs, and anyone who thinks like one, a much-needed guide for tapping into the wisdom that is most relevant to the entrepreneurial life. The book is filled with inspirational meditations that contain the thoughts and writings of notable American authors. Designed as a daily devotional, it is arranged in a calendar format, and features readings of transcendentalist literature and others. Each of The Self-Reliant Entrepreneur meditations is followed by a reflection and a challenging question from John Jantsch. He draws on his lifetime of experience as a successful coach for small business and startup leaders to offer an entrepreneurial context. Jantsch shows how entrepreneurs can learn to trust their ideas and overcome the doubt and fear of everyday challenges. The book contains: A unique guide to meditations, especially designed for entrepreneurs A range of topics such as self-awareness, trust, creativity, resilience, failure, growth, freedom, love, integrity, and passion An inspirational meditation for each day of the year. . . including leap year Reflections from John Jantsch, small business marketing expert and the author of the popular book Duct Tape Marketing Written for entrepreneurs, as well anyone seeking to find a deeper meaning in their work and life, The Self-Reliant Entrepreneur is a practical handbook for anyone seeking to embrace the practice of self-trust.

[SEO for Growth](#) John Jantsch 2016-09-11 "Search Engine Optimization, also known as SEO, is how people search and find your website on the Internet. ... SEO is a key growth channel for your business, but the rules of SEO have changed dramatically in recent years. To grow your business in today's economy, you need a strong online presence. But what does that entail exactly? Marketing is no longer about mass-market advertising and outbound sales; it's about capturing demand -- grabbing the attention of people already looking to make a purchase or acquire specific knowledge. To do that, your content needs to be at the top of Internet search results"--Amazon.com.

[More...: Word of Mouth Referrals, Lifelong Customers & Raving Fans](#) Matt Ward 2018-09 Word-of-Mouth Referrals are the golden ticket of sales and marketing, yet so few businesses know how to create more of them. The reality is that asking for referrals never really works because it puts the other person in an awkward and uncomfortable situation. It's one they just want out of. This book outlines the strategy necessary to cut through the noise of marketing and advertising and get more word-of-mouth referrals.

[Duct Tape Selling](#) John Jantsch 2014-05-15 Many of the areas that salespeople struggle with these days have long been the domain of marketers, according to bestselling author John Jantsch. The traditional business model dictates that marketers own the message while sellers own the relationships. But now, Jantsch flips the usual sales approach on its head. It's no longer enough to view a salesperson's job as closing. Today's superstars must attract, teach, convert, serve, and measure while developing a personal brand that stands for trust and expertise. In Duct Tape Selling, Jantsch shows how to tackle a changing sales environment, whether you're an individual or charged with leading a sales team. You will learn to think like a marketer as you: Create an expert platform Become an authority in your field Mine networks to create critical relationships within your company and among your clients Build and utilize your Sales Hourglass Finish the sale and stay connected Make referrals an automatic part of your process As Jantsch writes: "Most people already know that the days of knocking on doors and hard-selling are over. But as I travel around the world speaking to groups of business owners, marketers, and sales professionals, the number one question I'm asked is, 'What do we do now?' "I've written this book specifically to answer that question. At the heart of it, marketing and sales have become activities that no longer simply support each other so much as feed off of each other's activity. Sales professionals must think and act like marketers in order to completely reframe their role in the mind of the customer."

No Bullshit Social Media Jason Falls 2011-08-11 The In-Your-Face, Results-Focused, No-"Kumbaya" Guide to Social Media for Business! Detailed techniques for increasing sales, profits, market share, and efficiency Specific solutions for brand-building, customer service, R&D, and reputation management Facts, statistics, real-world case studies, and rock-solid metrics Stop hiding from social media--or treating it as if it's a playground. Start using it strategically. Identify specific, actionable goals. Apply business discipline and proven best practices. Stop fearing risks. Start mitigating them. Measure performance. Get results. You can. This book shows you how. Jason Falls and Erik Deckers serve up practical social media techniques and metrics for building brands, strengthening awareness, improving service, optimizing R&D, driving better leads--and closing more sales. "Conversations" and "communities" are wonderful, but they're not enough. Get this book and get what you really want from social media: profits. Think social media's a passing fad? Too risky? Just a toy? Too soft and fuzzy? Not for your business? Wake up! It's where your customers are. And it ain't going away. Does that suck? No. It doesn't. Do social media right, and all those great business buzzwords come true. Actionable. Measurable. And...wait for it...here comes the big one. Profitable. Damn profitable. Want to know how to do it right? We'll show you. And, yeah, we know how because we've done it. This is the bullshit-free, lie-free, fluff-free, blessedly non-New-Age real deal. You're going to learn how to use social media to deliver absolutely killer customer service. How to R&D stuff people actually want. Develop scads of seriously qualified leads. You'll figure out what you want. You know, the little things like profits, market share, loyalty, and brand power. You'll figure out how to measure it. And then you'll go get it. One more thing. We know what scares you about social media. Screwing up (a.k.a., your mug on the front page of The Wall Street Journal). So we'll tell you what to do so that won't happen. Ever. No B.S. in this book. Just facts. Metrics. Best practices. Stuff to warm the hearts of your CFO, CEO, all your C-whatevers. And, yeah, you. So get your head out from under the pillow. Get your butt in gear. Let's go make some money.

Find Your Focus Zone Lucy Jo Palladino 2008-09-04 Being able to perform any task with full attention has become one of the great unspoken-about challenges of modern life. As our culture has become more high-speed, techno-stressed, information-cluttered and media-saturated, we are getting pushed out of our focus zones without even realizing it. If you work in a modern office, it is likely you are suffering from 'information fatigue syndrome', which means that even naturally bright and creative people are rendered incapable of making swift decisions, problem-solving efficiently or able to maintain appropriate energy levels. Award-winning psychologist Lucy Jo Palladino offers practical solutions for anyone juggling too much, who finds themselves in a state of 'continuous partial attention', seemingly unable to do any one task with full concentration. In order to help people combat the negative aspects of 'always-on' information culture, Palladino has come up with a new set of skills that will help readers beat distraction and win the fight against information overload. She provides eight sets of 'keys' that will unlock your best attention and help you balance adrenaline levels, even when you are under pressure or facing dull tasks. Rooted in sports performance psychology, yet practical and user-friendly, Palladino's cutting-edge methods will help you stay focused and enhance your performance in all areas of daily life where concentration is required.
